

# Wool Competition

This is an open competition for all 4-H members.

Articles must be made from 100% wool. Members are encouraged to use Nova Scotia wool wherever possible.

A completed report for the article must accompany the article at ALL levels of competition.

Entries will be evaluated on the following criteria:

25% - written explanation

75% - finished project

The Wool Competition takes place at county level; the top junior and senior articles per county are eligible to move on to 4-H Nova Scotia Provincial Show.

**Note:** Members may enter their wool article in either the wool competition or in the appropriate section of their project class, but not in both competitions. Projects cannot be double-tagged.
